"THE BROTHER OF THE BRIDE."  
I'm mighty sorry Sister Sue  
Got married like she did,  
I wish she'd put her weddin' off  
A year or two instid'.  
Of course for it's mighty fine,  
They're as happy as c'n be,  
But since they've went an' got tied up,  
Things ain't the same for me.  
I never git no quarters now  
From him fer tellin' lies;  
Sis never hands me dimes no more  
Fer simply lookin' wise.  
I often ketch 'em holdin' hands,  
Their secrets still I learn,  
But since the Frencher married 'em  
They jes' don't give a dern.  
I tell you what, it's mighty hard,  
To be without no cash,  
An' have no way fer gittin' some  
From yer big sister's mash.  
'Course marriage fer the bride and groom  
Is 'pose is nice enough,  
But fer the brother of the bride  
It's sometimes mighty tough.

He Learned a Great Truth.

It is said of John Wesley that he once said to  
Misses Wesley: "Why do you tell that child  
the same thing over and over again?" "John  
Wesley, because once telling is not enough." It  
is for this same reason that you are told again and  
again that Chamberlain's Cough Remedy cures  
colds and grip; that it counteracts any tendency  
of these diseases to result in pneumonia, and that  
it is pleasant and safe to take. For sale by J.

CLIMATIC CURES.

The influence of climatic conditions in the cure  
of consumption is very much overdrawn. The  
poor patient, and the rich patient, too, can do  
much better at home by proper attention to food  
digestion and a regular use of German Syrup.  
Free expectoration in the morning is made certain  
by German Syrup; so is a good night's rest and  
the absence of that weakening cough and debili-  
tating night sweat. Restless nights and the ex-  
haustion due to coughing, the greatest danger and  
dread of the consumptive, can be prevented or  
stopped by taking German Syrup liberally and  
regularly. Should you be able to go to a warmer  
climate, you will find that of the thousands of con-  
sumptives there, the few who are benefited and re-  
gain strength are those who use German Syrup.  
Trial bottles, 25c; regular size, 50c. At Henry W.  
Ray's, next door to Postoffice.

LONG-COAT.....  
SUITS

If ever a fashion jumped into immediate popularity it is these  
Walking Suits with long Skirted Coats. We anticipated it and our

thusiastic women make upon it daily. Here are some of the favorites:

coat lined to waist, nine gore skirt, inverted plait back.

LIZZIE EVANS IN "AT COZY CORNERS."  
"At Cozy Corners," in which Miss Lizzie Evans  
is to be seen here this afternoon and night, is  
described as a play which bears out its com-  
fortably sounding title inasmuch as it tells a  
story that is absolutely pure in its moral. "At  
Cozy Corners" is not a "farm" play. Its story  
surrounds the doings of the denizens of a New  
England town, the principal scenes being laid  
in and around their little Congregational Church.  
Miss Evans' support has been complimented else-  
where as a fine company of players. Reserved  
seats on sale at Ray's Drugstore.

## EAT FRUIT DISPLAY.

ns For Kentucky's Exhibit  
Are Well Under Way.

IPMENTS WILL BE MADE DAILY.

cleas to Be Formed From All  
kinds of Fruits in Glass and From  
Cold Storage—Every County  
Asked to Send at Least One  
Barrel of its Best Apples.

entucky's fruit display at the  
d's Fair will equal that made by  
other State in the Union, if the  
fruit growers of Kentucky follow the  
directions of Mr. M. F. Johnson,  
Chairman of the Horticulture Com-  
mittee of the Kentucky Exhibit Asso-  
ciation. Mr. Johnson, as President of the  
Kentucky Horticultural Society, is one  
of the best-known men connected with  
the fruit growing industry in the State.  
His ability along this line is recog-  
nized by all and his energy is the  
wonder of many.

Mr. Johnson is not allowing any  
grass to grow under his feet in push-  
ing the work of his department. Early  
in the year he appointed a special  
committee covering the fruit growing  
section of the State, and to the mem-  
bers thereof gave specific instructions  
as to the collection of specimens for  
the Horticultural Exhibit from Ken-  
tucky at the Exposition. It is Mr.  
Johnson's purpose to be ready at the  
opening of the Fair with fruits in  
glass and from cold storage, and to  
supplement this daily with fresh fruit  
shipped from different parts of Ken-  
tucky to him in the Horticulture  
building.

Mr. Johnson was able to secure the  
hearty co-operation of a number of  
well-known fruit growers in preserv-  
ing in glass the different berries. He  
is now calling on men identified with  
the Exhibit Association in every coun-  
ty in the State for apples and pears  
especially, to be placed in cold stor-  
age until the first of next May. In  
his circular letter on this subject, Mr.  
Johnson says:

"We want fruit from every county  
in the State. Many counties grow but  
little fruit, yet they have great pos-  
sibilities in that line. Show samples  
of your best, induce fruit growers to  
come to counties and locate. Fruit  
growers are of necessity permanent  
citizens and taxpayers, for they must  
own their homes. When they trans-  
form your worn lands and your forests  
into orchards the value of the real  
estate is enhanced immeasurably. All  
that is needed is two or three willing  
workers in every county and every  
county will be represented. The work  
will not be great and the knowledge  
that your county is represented in the  
greatest show the world has ever  
known will repay you for all your  
trouble. Any county can send in at  
least one barrel, and others should  
contribute several barrels. The show  
continues for six months and these  
apples (and pears also) are wanted  
for cold storage purpose, so as to have  
a continuous display throughout the  
entire time. We must have these  
from the crop of this year, as next  
year's crop will not mature in time.  
Put only fruit ripening at the same  
time in the same package.

"We cannot keep successfully fruit  
that ripens earlier than the Maiden  
Blush apple. Peaches won't keep.  
Select only perfect specimens, as to  
size, shape, color and condition. Wrap  
each specimen in paper separately—  
avoid bruising—pack them in barrels  
carefully, mark thereon the name of  
variety, the name of the grower and  
address. If more than one variety is  
packed in the same barrel, please place  
paper between the varieties and mark  
each as above. A roll of honor will be  
published at the end of the show, giv-  
ing the name and address of all who  
contribute fruit and also the names of  
those who gather up these displays.  
When the great wall of Jerusalem was  
built so perfectly in so short a time  
the reason given was: 'The people  
had a mind to work.' So now if the  
people have a mind to work we will  
astonish the world at St. Louis with  
our fruit display."

Mr. Johnson has asked all to whom  
he sent circulars to notify him at  
once that they will collect the fruit  
for their county. Upon receipt of such  
notification he will issue full instruc-  
tions. He thinks it will be absolutely  
necessary for the fruit to be sent di-  
rect to St. Louis this Fall for cold  
storage, from which plant it may be  
withdrawn in such quantities and at  
such time as needed.

Mr. Johnson has in mind numerous  
attractive designs for best displaying  
Kentucky fruit and all citizens of the

9:45 a. m.—General Haly awakes.  
Rises, takes a bath (the a sounded as  
ah in this bath, remember), and sprin-  
kles talcum powder over his dimpled

day.

9:47½ a. m.—Chairman Hager does  
likewise. Pushes button one time.

9:50 a. m.—The boy returns with the  
tray.

agers.

apologies. 'Twas only an ink bottle.

10:10 a. m.—Telegram received that  
Sissy Leigh has laid two eggs in one  
day on Editor Walton's table.

10:11 a. m.—Great applause. Chair-  
man Hager pushes button two times  
in quick succession.

11:40 a. m.—General Haly examines  
mail. A few foolish letters of Black-  
burn, McCreary and other inexper-  
ienced politicians thrown into waste  
basket. "Rot!" says the general, and  
"Bah!"

12:01 p. m.—Waiter announces early

4:10 p. m.—Colonel Jack Chinn, the  
Official Bad Man, arrives. Much hand-  
shaking. Chairman Hager pushes  
button ten times.

4:30 p. m.—Mayor Grainger arrives  
in the corridor. General Haly too  
busy to see him. Will call later.

4:40 p. m.—Discussion waxes warm  
over inadvertent remark of some one  
that Judge John M. Lassing is the

ner, too.

### SOME BECKHAM APPOINTMENTS.

Speaking of Beckham's appoint-  
ments, few are on the inside of the  
appointment of the Elliott county  
member of the state board of equaliza-  
tion. The inside facts are, Chairman  
Allie Young made his boy Beckham,  
over whom he had fatherly control at  
that time, appoint his good friend,  
John Mannin, a member of the board.  
Mannin had been a member of the Tol-  
iver band of feudists in Rowan coun-  
ty, of which the Youngs were mem-  
bers and chief advisers, and was shot  
in the hand in one of the battles. It  
turned out that Mannin was disquali-  
fied by the fact that he can neither  
read nor write. But a way was made  
that his disqualification by lack of  
education should not disqualify him  
from drawing a part of the pay, so  
Allie had Beckham to permit Mannin  
to furnish a substitute in the person of  
one-handed, red-headed John Flannery,  
of the same county, and the latter got  
50 per cent of the emoluments and  
Mannin the other half.

### Do Good—It Pays.

A Chicago man has observed that "Good deeds  
are better than real estate deeds—some of the  
latter are worthless. Act kindly and gently, show  
sympathy and lend a helping hand. You cannot  
possibly lose by it." Most men appreciate a kind  
word and encouragement more than substantial  
help. There are persons in this community who  
might truthfully say: "My good friend, cheer up.  
A few doses of Chamberlain's Cough Remedy will  
rid you of your cold, and there is no danger what-  
ever from pneumonia when you use that medicine.  
It always cures. I know it, for it has helped me  
out many a time." Sold by J. Jas. Wood & Son.

The total income of all American farmers last year was about \$5,500,000,000.

The farms of the United States cover 841,000,000 acres and employ nearly 10,500,000 people.

Examinations for male teachers in the Philippines will be held throughout the United States on October 19th and 20th.

On account of yellow fever, Judge Burns, at Arado, Tex., has ordered the release of all federal prisoners in the jail there.

Colonel Leonidas William Spratt, who was one of the surviving members of the South Carolina secession convention, died Sunday at Jacksonville, Fla.

That the famous Ferris wheel has been rescued from the junk pile and will be taken from Chicago to the St. Louis Exposition is now believed to be an assured fact.

George Warner, the sixteen-year-old son of George Warner, in the Louisville Jail charged with the murder of Pulaski Leeds, died at Logansport, Ind., of grief over his father's deed.

Collector of the Port Stranahan has just received what is said to be the largest single contribution to the "compromise fund" on record at New York. It amounted to \$206.70 and came from Boston.

Steamship agents are determined to break the levee labor tieup at New Orleans. An agent has started North to secure 2,500 laborers. Fourteen big ships are now idle at the wharves, with 20,000 bales of cotton on the bank ready for shipment.

The long-deferred trial of Prof. Samuel F. Ladgley's madhouse took place at Widewater, Va., and was a decided failure. The big flying machine sped rapidly along its seventy-foot track, was carried by its own momentum for a hundred yards and then sank gradually into the Potomac river.

**"I sleep well enough at night,  
And the blindest appetite  
Ever mortal man possessed."**

Riley's farmer is the very picture of a man advanced in years, yet in the enjoyment of perfect health. A good appetite, a good digestion and sound sleep, are the chief factors in a vigorous old age. Life is sustained by food, when it is properly digested and assimilated. When digestion fails, there is a loss of nutrition which soon shows itself in physical weakness, nervousness, sleeplessness, etc.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It strengthens the body in the only way possible,—by enabling the assimilation of the nutrition extracted from food.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pleasant Pellets' and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co., Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to 125 pounds, and was not able to work at all. Now I weigh nearly 150 and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicines."

The Common Sense Medical Adviser, 1000 pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

The widow of Lieutenant William E. Shipp, who was killed while leading his men of the Tenth Cavalry in the memorable charge on San Juan Hill, has applied for the position of Postmaster at Lincoln, N. C.

## River News

The river is rising slowly.

Price's floating palace is on the Ways at Paducah.

Repairs are being made on the Joe B. Williams at West Louisville.

It is reported that the New South will go from New Orleans to St. Louis to run in a good trade.

The Julian Poydras is on her way up from New Orleans to go on the Marine Ways at Madison for a thorough repairing.

A catfish five feet long was caught in a hole in Salt river a few days ago. He was killed by a blow on the head with an ax.

The hull of the L. H. Buhrman has been raised and taken to Green river. The upper works were burned some time ago.

Cincinnati will be represented by a body of at least 150 representative merchants at the convention of the Ohio Valley Improvement Association.

The steamer Courier was let into the water off the Queen City Marine Ways yesterday, and will resume her trips in the local trade Monday. She is almost a new boat.

The steamboatmen have bestowed numerous congratulations on Government Inspectors Gordon and Lundbeck at St. Louis on being exonerated of the charges made against them a few months ago. The charges are said to have emanated from spitwork growing out of the Wiggins Ferry Company strike.

The Gertrude arrived at New Orleans from Pittsburgh and has left there for the Chattahoochee river, where she will take the place of the only boat that ever carried turpentine in the bulk, but was destroyed by fire. The Gertrude is owned by the Standard Oil Company, which controls the entire output of turpentine on the Chattahoochee river and which will use the Gertrude in carrying turpentine in bulk.

The showers of Tuesday on both sides of the river have caused the feeders and tributaries to run out considerably, and caused the river to rise here. The rain was general all the way up the river. Kanawha coal men are figuring on shipping six-foot barges out of that district within the next 48 hours on the wave which is thought to be coming out of the mountains from the water-shed in southwestern Virginia, southeastern West Virginia, Northwestern North Carolina and southeastern Tennessee. Not more than 2,000,000 bushels of coal can be shipped out of that district as there has been a scarcity of empty craft in the pools. At Pittsburgh indications now point to a coal-boat rise. The Monongahela and Allegheny rivers are rising rapidly at up-river points from the effects of the heavy rainfall, which during the past two days has been nearly three inches over the water sheds.

## A Perfect Painless Pill

is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leave a good taste in the mouth. The famous little pills for doing such work pleasantly and effectually are DeWitt's Little Early Risers. Bob Moore of Lafayette, Ind., says: "All other pills I have used give gripe and sicken, while DeWitt's Little Early Risers are simply perfect." Sold by J. Jas. Wood & Son, Druggists.

## YOUR KIDNEYS ARE THEY WELL?

Unless they are, good health is impossible.

Every drop of blood in the body passes through and is filtered by healthy kidneys every three minutes. Sound kidneys strain out the impurities from the blood, diseased kidneys do not, hence you are sick. FOLEY'S KIDNEY CURE makes the kidneys well so they will eliminate the poisons from the blood. It removes the cause of the many diseases resulting from disordered kidneys which have allowed your whole system to become poisoned.

Rheumatism, Bad Blood, Gout, Gravel, Dropsy, Inflammation of the Bladder, Diabetes and Bright's Disease, and many others, are all due to disordered kidneys. A simple test for kidney disease is to set aside your urine in a bottle or glass for twenty-four hours. If there is a sediment or a cloudy appearance, it indicates that your kidneys are diseased, and unless something is done they become more and more affected until Bright's Disease or Diabetes develops.

FOLEY'S KIDNEY CURE is the only preparation which will positively cure all forms of Kidney and Bladder troubles, and cure you permanently. It is a safe remedy and certain in results.

If You are a sufferer, take FOLEY'S KIDNEY CURE at once. It will make you well.

## Some Pronounced Incurable

Mr. G. A. Stillson, a merchant of Tampico, Ill., writes: "FOLEY'S KIDNEY CURE is meeting with wonderful success. It has cured some cases here that physicians pronounced incurable. I myself am able to testify to its merits. My face today is a living picture of health and FOLEY'S KIDNEY CURE has made it such."

## Had Lumbago and Kidney Trouble

Edward Huss, a well known business man of Salisbury, Mo., writes: "I wish to say for the benefit of others, that I was a sufferer from lumbago and kidney trouble, and all the remedies I took gave me no relief. I began to take FOLEY'S KIDNEY CURE, and after the use of three bottles I am cured."

### MISS BLANCHE MOLLOY.

What a Paper From Her Former  
Home Says of the Young Lady.

Memphis (Tenn.) News, Oct. 24.

Announcement received yesterday of the  
death at Russellville, Ky., of Miss Blanche Molloy  
produced sorrow in the hearts of the deceased  
young woman's many friends in this city. Miss  
Molloy's admirers in Memphis were legion, for  
until about two years ago Memphis was her  
home. Her body is to be brought here early  
Saturday morning. Funeral services will be  
conducted at 10 o'clock at the residence of W.  
A. Collier, 460 Poplar boulevard. Interment  
will be in the Molloy family lot at Elmwood.

Miss Molloy was a member of a family whose  
name has long been identified with Memphis.  
She was a granddaughter of Col. D. B. Molloy,  
for many years one of Memphis' most prominent  
bankers. Her father, who is living, is Rev. J.  
C. Molloy of Maysville, Ky. Miss Molloy's  
mother, who died when Miss Molloy was a small  
child, was, previous to her marriage, Miss Blanche  
Ringgold, a daughter of Dr. Ringgold, an Epis-  
copal Minister of Knoxville.

During the many years that Miss Molloy lived  
in this city she made her home with an uncle  
and aunt, Mr. and Mrs. J. W. Moores, who re-  
cently removed to Kentucky.

Miss Molloy was an active Church worker and  
was long identified with the Alabama-Street  
Presbyterian Church. Her former Pastor, Rev.  
W. Moore Scott, will conduct the funeral ser-  
vices Saturday morning at the Collier residence.

Miss Molloy's death occurred yesterday morn-  
ing at Russellville, Ky. She was 28 years old.  
Death came after a protracted illness, which  
had its inception last May.

digest and assimilate all of the wholesome food  
that one craves to eat, and is a never failing cure

## MISS ROSE OWENS,

No. 720 Seventeenth St., WASHINGTON, D. C.

"If every suffering woman  
has the same experience with  
Wine of Cardui that I had,  
your medicine will be most  
popular. About a year ago  
I began to have a worn out  
tired feeling with lassitude,  
pains in the back and head  
which kept increasing every  
month. I felt that I needed  
something, but to get the  
right medicine was the trou-  
ble. I finally decided on  
your Wine of Cardui and only needed to  
take three bottles when I was fully re-  
covered."

Miss Rose Owens.

WHEN Miss Rose Owens, who  
has a responsible position in  
the Government service at  
Washington, D. C., decided to  
try Wine of Cardui, she made a wise  
choice. Over a million women have  
been relieved of female weakness by this  
same Wine of Cardui. It is not a  
strong medicine but may be taken every  
day in the year by any woman with  
benefit. It does not force results, but  
corrects derangements of the menstrual  
organs. It strengthens the nervous  
system, gives tone to the bodily func-  
tions, acts directly on the genital  
organs, and is the finest tonic for wo-  
men known to the science of medicine.

If you are a suffering wo-  
man we would say to you  
that Wine of Cardui seldom  
fails to completely cure any  
case of female ills. We say  
emphatically, it never fails  
to benefit. Every day hun-  
dreds of sufferers are writing  
to our Ladies' Advisory De-  
partment. The letters are  
opened by persons compe-  
tent to give advice. Mrs.  
Jones was cured by follow-  
ing the advice which was freely given  
her by the Ladies' Advisory De-  
partment. Miss Owens was cured without  
advice by just buying a \$1.00 bottle of  
Wine of Cardui from her druggist and  
taking this great medicine in the pri-  
vacy of her home. No doctor's ex-  
amination, treatment or advice is nec-  
essary. You have read what these two  
cured women have written. Is this not  
enough to lead you to determine to be  
rid of suffering?

August 13, 1900, Mrs. W. H. Jones,  
of Cameron, Mo., writes:  
"I suffered terribly at monthly periods  
for three years. I would sometimes go for  
seven months with no flow at all. Now  
I have my health back again and am  
expecting to be confined in January. I  
cannot praise your medicine enough."

## WINE of CARDUI

A million suffering women  
have found relief in  
Wine of Cardui.

## "The Longer I Live, The More I Get."

This is unusual. The earning  
capacity of a man generally begins  
to decrease with years. But the  
above quotation was written of a  
policy of life insurance in The  
Mutual Life Insurance Company of  
New York. It is the striking  
sentence in a letter of satisfaction  
written by Mr. Ebe Walter, con-  
cerning a dividend received on a  
Fifteen-Year Distribution policy.  
The entire letter which appeared in  
the Wilmington (Del.) News, No-  
vember 21, 1902, is interesting and  
the policy of insurance referred to  
is still more so.

In writing for terms on a policy of this kind,  
state what you would like to receive in cash at  
the end of limited payment period, amount  
you would like your beneficiary to receive in  
event of your death, and give your age.

For several months our younger brother had

of thirty days he had gained forty pounds in  
flesh. He is now fully recovered. We have a
